Presidents Message

Well summer is almost over and we will soon resume our monthly meetings at the Shadbush Nature Center. The September meeting has been moved ahead one week to Sept. 9th, this is because Shadbush is celebrating their annual Heritage Festival on Sept. 15th & 16th. (don't miss this meeting, Ray Frase will be demonstrating.)

The club participates in this activity by setting up the club tent and doing turning demonstrations throughout the week-end. Please consider volunteering for this event because it is one way we show our appreciation for the use of our meeting room.

Secondly, mark your Calendars because the club is bringing in another world famous turner, Graeme Priddle, on October 27, 2007.

Last but not the least, we have applied to several woodturning retailers for club discounts and we will have all that info and more at the September meeting.

Take a moment or two and think about what a great club we have. Are you just showing up for meetings and not really taking advantage of all the things this club has to offer. Think about what you may be able to do to make this club better. Maybe join a committee and make your presence more visible at meetings. This is a great way to feel more like a part of the whole, and you will be making new friends at the same time.

See you in September,

Mike

Next Meeting –2 p.m. September 9, 2007
